STOK Gas Grills Recalled by One World Technologies Due to Fire and Burn Hazards

WASHINGTON, D.C. – The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed. It is illegal to resell or attempt to resell a recalled consumer product.

Name of product: Gas Grills

Units: About 87,600 in the U.S., 1,400 in Canada

Importer: One World Technologies Inc. of Anderson, S.C.

Hazard: The regulator on the grill can leak propane gas, which can ignite, posing fire and burn hazard to consumers.

Incidents/Injuries: The firm is aware of 569 reports of regulators leaking propane gas. No injuries have been reported.

Description: This recall involves STOK Island and STOK Quattro gas grills. The STOK Island has a round grill base and two burners. "STOK" is written on the grill cover and a label on the bottom of the grill stand. The STOK Quattro gas grill is a rectangular, four-burner grill. STOK is printed on the grill's lid. To identify whether a specific Island or Quattro grill is included in this recall, you will need to look at the grill's regulator. The recalled grills have regulators on them with the model number "AZF" on the front and a date code between 1046 and 1143 on the back of the regulator.

Sold at: Home Depot stores nationwide and in Canada and Direct Tools Factory Outlet stores nationwide from March 2011 through February 2012 for between \$79 and \$350.

Manufactured in: China

Remedy: Consumers should immediately stop using the recalled grills and contact One World Technologies for a free replacement gas regulator for the grill.

Consumer Contact: For additional information, please contact One World Technologies toll-free at (800) 867-9624 between 8 a.m. through 5 p.m. ET Monday through Friday, or visit the firm's website at www.stokgrills.com

The U.S. Consumer Product Safety Commission (CPSC) is still interested in receiving incident or injury reports that are either directly related to this product recall or involve a different hazard with the same product. Please tell us about your experience with the product on SaferProducts.gov.

CPSC is charged with protecting the public from unreasonable risks of injury or death associated with the use of the thousands of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$900 billion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. CPSC's work to ensure the safety of consumer products—such as toys, cribs, power tools, cigarette lighters, and household chemicals—contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 30 years.

Under federal law, it is illegal to attempt to sell or resell this or any other recalled product.

To report a dangerous product or a product-related injury, go online to: SaferProducts.gov, call CPSC's Hotline at (800) 638-2772 or teletypewriter at (800) 638-8270 for the hearing impaired.
